

# Doe de Home Run

## 20 KM to end Homelessness

### Brussels, May 25, 2025

# What's Street Nurses about ...

We help the **most vulnerable people** get off the streets.

We mobilize public authorities, other organizations and citizens to design sustainable solutions together.

Street Nurses is **a medical and social organization** active in Brussels since 2006 and in Liège since 2019.

Our **levers**: hygiene and care, self development, networking and housing.

**Join Team  
Street Nurses...**

**...and help us raise 20.000 €**

## By joining us, you and your company can

- Radically change the fate of homeless people
- Show your social engagement to your customers & employees
- Give your employees the opportunity to participate in this beautiful solidarity challenge
- Ensure the visibility of your company at the 20KM of Brussels
- Sleep, eat and train well and have no worries about administration or logistics, all done by Street Nurses
